The Huron School District continues to work closely with the Michigan Department of Education, Wayne County RESA, and the Wayne County Health Department. We are continuing to develop plans and schedules that accommodate the needs of our parents and students, while providing a safe a purposeful learning environment. Through the development of the

Huron Preparedness and Response Plan, we are developing protocols pertaining to the following:

Protocols:

- Class Size/Spacing/Movement
- Screening of Students and Staff
- Testing and Responding to Positive Cases, Including Contact Tracing
- Dining/Gathering/Extra Curriculars
- Athletic Activities

- PPE, Hygiene, & Hand Washing
- Cleaning
- Student Transportation
- Medically Vulnerable Students & Staff
- Curriculum, Scheduling, and Social-Emotional Supports
- Students with Special Needs
- Technology Considerations
- Staff Professional Development Needs
