

Dear Parents/Guardians:

We are accepting applications for **limited** openings in the Huron School District for the fall 2017-2018 school year. You must reside within Wayne County or a Wayne County School District in order to apply for an opening. Please be advised of the following:

- Applications will **only** be accepted between Monday, May 1, 2017 and Friday, May 19, 2017 and will be available at the Administration building or may be printed from huronschools.org. **Incomplete information will not be accepted.**
- If we receive more applications than openings for each grade level, a random lottery will be held.
- Applications of students who have been suspended or expelled within the past two school years will automatically disqualify your student's application.
- A copy of the student's **last report card** which shows attendance and grades, must be turned in with all applications for **grades 1 through 8.**
- If you are applying for a vacancy in grades 6-12 you must have the "Affirmation of Prior Discipline" form signed by you, your student and the student's current building principal to accompany their application.
- If you are applying for grades 9-12 your student must have earned enough credits to be at the grade level that they are applying for. An **unofficial transcript** and a copy of their **last report card** which shows attendance must accompany their application.
- If you are applying for grades 9-12, please know that an incoming freshman is eligible to play athletics for Huron. 10-12th graders may be penalized from participating in athletics for a period of time. If you have any questions regarding this matter, please contact your current athletic director, or you may contact the Huron School District Athletic Director, Martin Salazar, at 734.783.0324.

If you have any further questions or concerns regarding the school of choice procedures, please feel free to contact me at the number listed below. Thank you for your interest in Huron School District!

Sincerely,
